4 Courses

Oracle Database Foundations

Oracle Database Platform

Oracle SQL Basics

Oracle SQL Proficiency

Apr 10, 2024

Rafiq Wayani
Master Instructor

Aditi Prashant

has successfully completed the online, non-credit Specialization

Oracle SQL Databases

In this Specialization, learners learned the skills needed to become proficient at creating and modifying Oracle SQL Databases. They learned about Oracle SQL foundations and basics, as well as put what they have learned to practice.

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
